In response to the accompanying Notification of Missing Requirements Under 35 USC 371 in the United States Designated/Elected Office, there is submitted herewith:

- 1) a Claim of Small Entity Status;
- 2) a petition for a five-month extension of time to respond to the Notification of Missing Requirements by August 5, 2007 for a small entity;

4) a copy of an Assignment, which has already been submitted for recordation in the USPTO; and

5) a Declaration from Dr. Christina Gates, the Managing Partner of Tomkins & Company, European Patent Attorneys, who is the person having firsthand knowledge of the facts of co-inventor Stephan HALLAHAN's refusal to execute the application papers.

In her Declaration, Dr. Gates declares that on June 19, 2007, she sent a registered letter, return receipt requested, to co-inventor Stephen HALLAHAN, at his last known business address, namely:

Mr. Stephen HALLAHAN c/o Cross VetPharm Group Limited,

Dr. Gates further declares that since she did not have any knowledge of Mr. HALLAHAN's home address, she used the same business address which was provided during the international phase, and which appears on the front page of International Publication WO 2005/034970. The registered letter contained a complete copy of the application papers, including the specification, claims, abstract, figures, along with a Combined Declaration and Power of Attorney, a general Assignment document, and an Assignment document specific for the United States. Mr. HALLAHAN was asked to return the signed documentation to Dr. Gates within twenty-one (21) days, and was advised that failure to execute the papers by such deadline would be construed as a definite refusal to join in the application papers. To date, Dr.
